CYCLE RIDE**

STARTING 20TH APRIL 09

TAKING APPROX 10 DAYS (100 MILES A DAY)

THE GREAT WALL OF CRICKLADE

We are currently actively fundraising and appealing for public support to help raise money for a climbing wall. Following a community questionnaire and research from over 200 people we are aiming to bring the new and exciting facility to Cricklade.

While £20,000 in funding has already been pledged by private companies, a further £15,000 needs to be raised by the end of April if the climbing wall is to be place for the summer. The wall will be in the main sports hall, although organisers stress there will no adverse effect on other sports currently taking place in the hall.

Please help us reach our goal for the '**Great Wall of Cricklade**' by sponsoring Jon, Justin and Brendan.

HELP FOR HEROES

Started in October 2007, **Help for Heroes** have raised £1 million a month helping support wounded servicemen and women injured in the current conflicts.

Fundraising activities include extremes of people riding 350 miles, swimming the channel, climbing a mountain, rowing the Atlantic, running across a desert, trekking a thousand miles, right through to simply selling cakes and holding a jumble sale it is all gratefully appreciated.

Please help **Help for Heroes** continue their fanatastic work by sponsoring Jon, Justin and Brendan.
